**Waste Management** affects all aspects of modern life. A & F assist waste operators in sustainably developing their waste management businesses. Alternatively we can provide support for vulnerable communities exposed to controversial waste management proposals.

### Our key expertise areas are:-

- Environmental Impact Assessments
- Specialist Environmental Reports
- Site Development
- Recycling
- Consultation
- Public Inquiry or Expert Witness

*Proposed Humberfield Site*

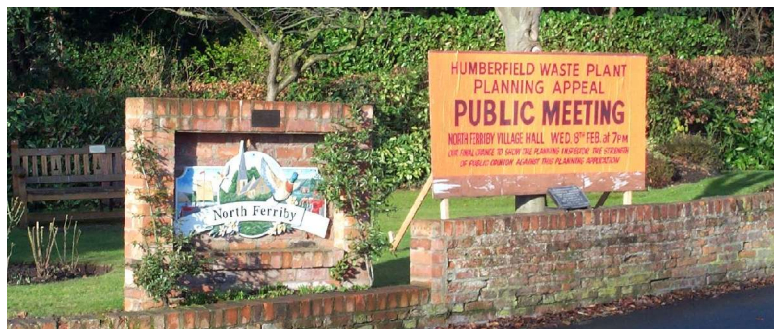

*Biohazards*

*Recycling Waste Tyres*

Our experts are able to balance the inevitable negative aspects of waste management with essential community needs.

*Planning Appeal by Concerned Local Residents*
